Chairperson's Report

Despite the global economic recession, the projects of the Valoyi Trust have developed and grown in this past year – and continue to serve the most needy members of the Nwamitwa community.

The Valoyi Trust Community Centre on the side of the koppie at Msiphani Village now has four beautiful buildings. The **Fit for Life, Mothers' and Children's programmes** all have spacious, cool and attractive accommodation. We need to thank the Elton John AIDS Foundation, the Australian High Commission, CSTWF, Eyes on Africa, Foschini, Het Maagdenhuis and the South Coast Foundation for their generous support of our young community builders in their construction of the centre. We also owe thanks to Boekee Construction for their procurement and supervision of the building process.

We had a joyful blessing of the Centre and Mswazi Dam food security project at the end of January 2012. Four ministers from different churches presided, many international and local visitors attended, celebrating the progress of the centre and programmes.

The buildings have been beautifully, if not completely, equipped, thanks to international and local South African partners: a wonderful computer room, training room, preschool and afterschool classrooms and a busy kitchen. We now have two lovely green lawns – and, with the help of our new borehole, we are starting a vegetable garden at the centre.

Queen Makhubele continues to manage the Fit for Life, Fit for Work programme so that it benefits Nwamitwa's young unemployed school-leavers. **Edward Chauke**, previously a trainer at the centre, moved into the position of manager/trainer at the Mswazi Dam agricultural skills learnership. Edward has a background in agricultural education and he has excelled in his new role in training a new class of young agriculturalists. The ten hectares of vegetables, and, more recently, ducks and fish, delight the eye and bring in good revenue from sales. The Fit for Life, Fit for Work programme, with the backing of the Ford Foundation, is focused on both reproductive health and helping young people gain access to the economy. A special emphasis is placed on the development of young entrepreneurs in their own businesses – and our agricultural skills learners are now beginning to move onto their own small farms on one of the Valoyi Trust's farms at Tarentaalrand.

Tinyiko Shirindzi coordinates the Mothers' and Children's programmes at the centre. She has over 60 women registered although only a much smaller group are able to come every day. About 70 children are in the infant care, preschool and afterschool care programmes, receiving healthy meals and a good grounding for their future education. **Mimi Bethela** and **Blossom Ngwevela**, trainers from the Early Learning Resource Unit, have run a course in Early Childhood Development for 20 young women in the ECD learnership. Zakheni Art Therapy invited Tinyiko and two child care workers to be participants in their training for ECD practitioners. Our staff have enjoyed and appreciated this much-needed training and our children will, we hope, reap the fruits of all this creative empowerment.

In partnership with the Department of Health, a team of 22 home-based carers has been recruited and deployed in Nwamitwa's 32 villages, visiting vulnerable households. We are very pleased to have this complement to our centre-based services.

I need to make special mention, too, of **Machechisi Ben Shipalana**, who has been acting as the centre and programmes manager over the past year. He has brought not only efficiency but also humanity and warmth to the projects. Ben has been well supported in financial management by **Nxalati (Baby) Baloyi**, our finance manager, a very committed member of the management team.

Thanks go to Stephanie and Patrick Kilroe for their practical love for the people and land of Nwamitwa, to the Etafeni Trust, to Rodney Moore for his hard work as our auditor, to Inge van Rooyen for her time helping our culinary staff and to Ian Griesbaum for his gift of 300 tilapia. I would also like to express my gratitude to the Valoyi trustees for their hard work during the past year. Finally, may I thank our funders not previously mentioned: Annie Lennox, 'Anonymous', the Belgian Embassy, the British High Commission, the Ford Foundation, Investec, Kinderfonds Mamas, Laurent Nouwen, Old Mutual, Pick n Pay Foundation and Truworths.

VALOYI TRADITIONAL AUTHORITY TRUST
ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 29 FEBRUARY 2012

TRUSTEE'S RESPONSIBILITIES AND APPROVAL

The trustee is required to maintain adequate accounting records and is responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is his responsibility to ensure that the annual financial statements fairly present the state of affairs of the trust as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the South African Statement of Generally Accepted Accounting Practice for Small and Medium-sized Entities. The external auditors are engaged to express an independent opinion on the annual financial statements.

The annual financial statements are prepared in accordance with the South African Statement of Generally Accepted Accounting Practice for Small and Medium-sized Entities and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgments and estimates.

The trustee acknowledges that he is ultimately responsible for the system of internal financial control established by the trust and places considerable importance on maintaining a strong control environment. To enable the trustee to meet these responsibilities, the trustee sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the trust and all employees are required to maintain the highest ethical standards in ensuring the trust's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the trust is on identifying, assessing, managing and monitoring all known forms of risk across the trust. While operating risk cannot be fully eliminated, the trust endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The trustee is of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The trustee has reviewed the trust's cash flow forecast for the year to 28 February 2013 and, in the light of this review and the current financial position, he is satisfied that the trust has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditors are responsible for independently reviewing and reporting on the trust's annual financial statements. The annual financial statements have been examined by the trust's external auditors and their report is presented on page 3.

The annual financial statement set out on pages 4 to 13, which have been prepared on the going concern basis, were approved by the trustee on 17 August 2012 and were signed on its behalf by:

Trustee

Trustee

INDEPENDENT AUDITORS' REPORT

TO THE TRUSTEES OF VALOYI TRADITIONAL AUTHORITY TRUST

We have audited the annual financial statements of Valoyi Traditional Authority Trust, which comprise the statement of financial position as at 29 February 2012, and the statement of income and retained earnings, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes, and the trustee's report, as set out on pages 4 to 12.

Trustee's Responsibility for the Annual Financial Statements

The trust's trustee is responsible for the preparation and fair presentation of these annual financial statements in accordance with the South African Statement of Generally Accepted Accounting Practice for Small and Medium-sized Entities, and requirements of the Companies Act of South Africa, and for such internal control as the trustee determine is necessary to enable the preparation of annual financial statements that are free from material misstatements, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these annual financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the annual financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the annual financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the annual financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the annual financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the annual financial statements present fairly, in all material respects, the financial position of Valoyi Traditional Authority Trust as at 29 February 2012, and its financial performance and its cash flows for the year then ended in accordance with the South African Statement of Generally Accepted Accounting Practice for Small and Medium-sized Entities., and the requirements of the Companies Act of South Africa.

VALOYI TRADITIONAL AUTHORITY TRUST
ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 29 FEBRUARY 2012

TRUSTEE'S REPORT

The trustee submits his report for the year ended 29 February 2012.

1. REVIEW OF ACTIVITIES

Main business and operations

The trust is engaged in non-profit activities for the express benefit of the beneficiary including, but not limited to the following members of the Valoyi Community: Youth, Women, Disabled people and all the members of the Valoyi Tribe. The objectives of the trust includes enhancing the self esteem and self confidence of the youth; to promote employment; empowering women and the disabled people and to promote and facilitate any land claims lodged by the Valoyi Tribe or Valoyi Traditional Authority.

The operating results and state of affairs of the trust are fully set out in the attached annual financial statements and do not in our opinion require any further comment.

2. EVENTS AFTER THE REPORTING PERIOD

The trustee is not aware of any matter or circumstance arising since the end of the financial year.

3. TRUSTEE

The trustee of the trust during the year and to the date of this report is as follows:

Name	Nationality	Changes

VALOYI TRADITIONAL AUTHORITY TRUST
ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 29 FEBRUARY 2012

ACCOUNTING POLICIES

1. Presentation of Annual Financial Statements

The annual financial statements have been prepared in accordance with the accounting policies as set out below. The annual financial statements have been prepared on the historical cost basis. They are presented in South African Rands.

1.1 PROPERTY, PLANT AND EQUIPMENT

Costs include costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognised.

Property, plant and equipment is carried at cost less accumulated depreciation and any impairment losses.

Properties acquired under the land reform process are reflected at the value attributed on acquisition and allocated to a non-distributable reserve due to the restrictions and encumbrances on the properties.

1.2 REVENUE

Revenue is measured at the fair value of the consideration received or receivable and represents the amounts receivable for goods and services provided in the normal course of business.

Donations and grants are accounted for when received.

Interest is recognised, in surplus or deficit, using the effective interest rate method.
